20070227

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply brief filed on 10/17/2005 has not been considered because it is not in compliance with 37 CFR 41.41(a). The reply brief included a new amendment.

Amendment filed on or after the date of filing a brief requested per 37 CFR 41.33(b)(1) is entered.

Upon review the reply brief, it was found that claim 28 is missing in the Status of Claims (page 3). However, claim 28 is present in the Claims Appendix.

The text of the withdrawn claims 12-13 and 29-32 must be presented.

The examiner noted that there was no new ground of rejection in the examiner's answer of August 23, 2005.

A handwritten signature in black ink, appearing to read "James J. Seidleck".

James J. Seidleck
Supervisory Patent Examiner
Technology Center 1700
